COLLECTION 2024/25

PANAPLAST is the purveyor of high pressure laminates for interior spaces. As innovators and creators, and where ingenuity meets design, each product is curated through technology to achieve a delicate balance between colours and textures.

LEGEND

-  New
-  Yellow core
-  Crafted in 10ft (3050 x 1300mm)
-  Complementary edgeband available
-  Suede touch
-  Available in Compact
-  Prior to specification, we recommend to view a larger sample or download digital sheet online
-  Anti-bacterial
-  Anti-fingerprint

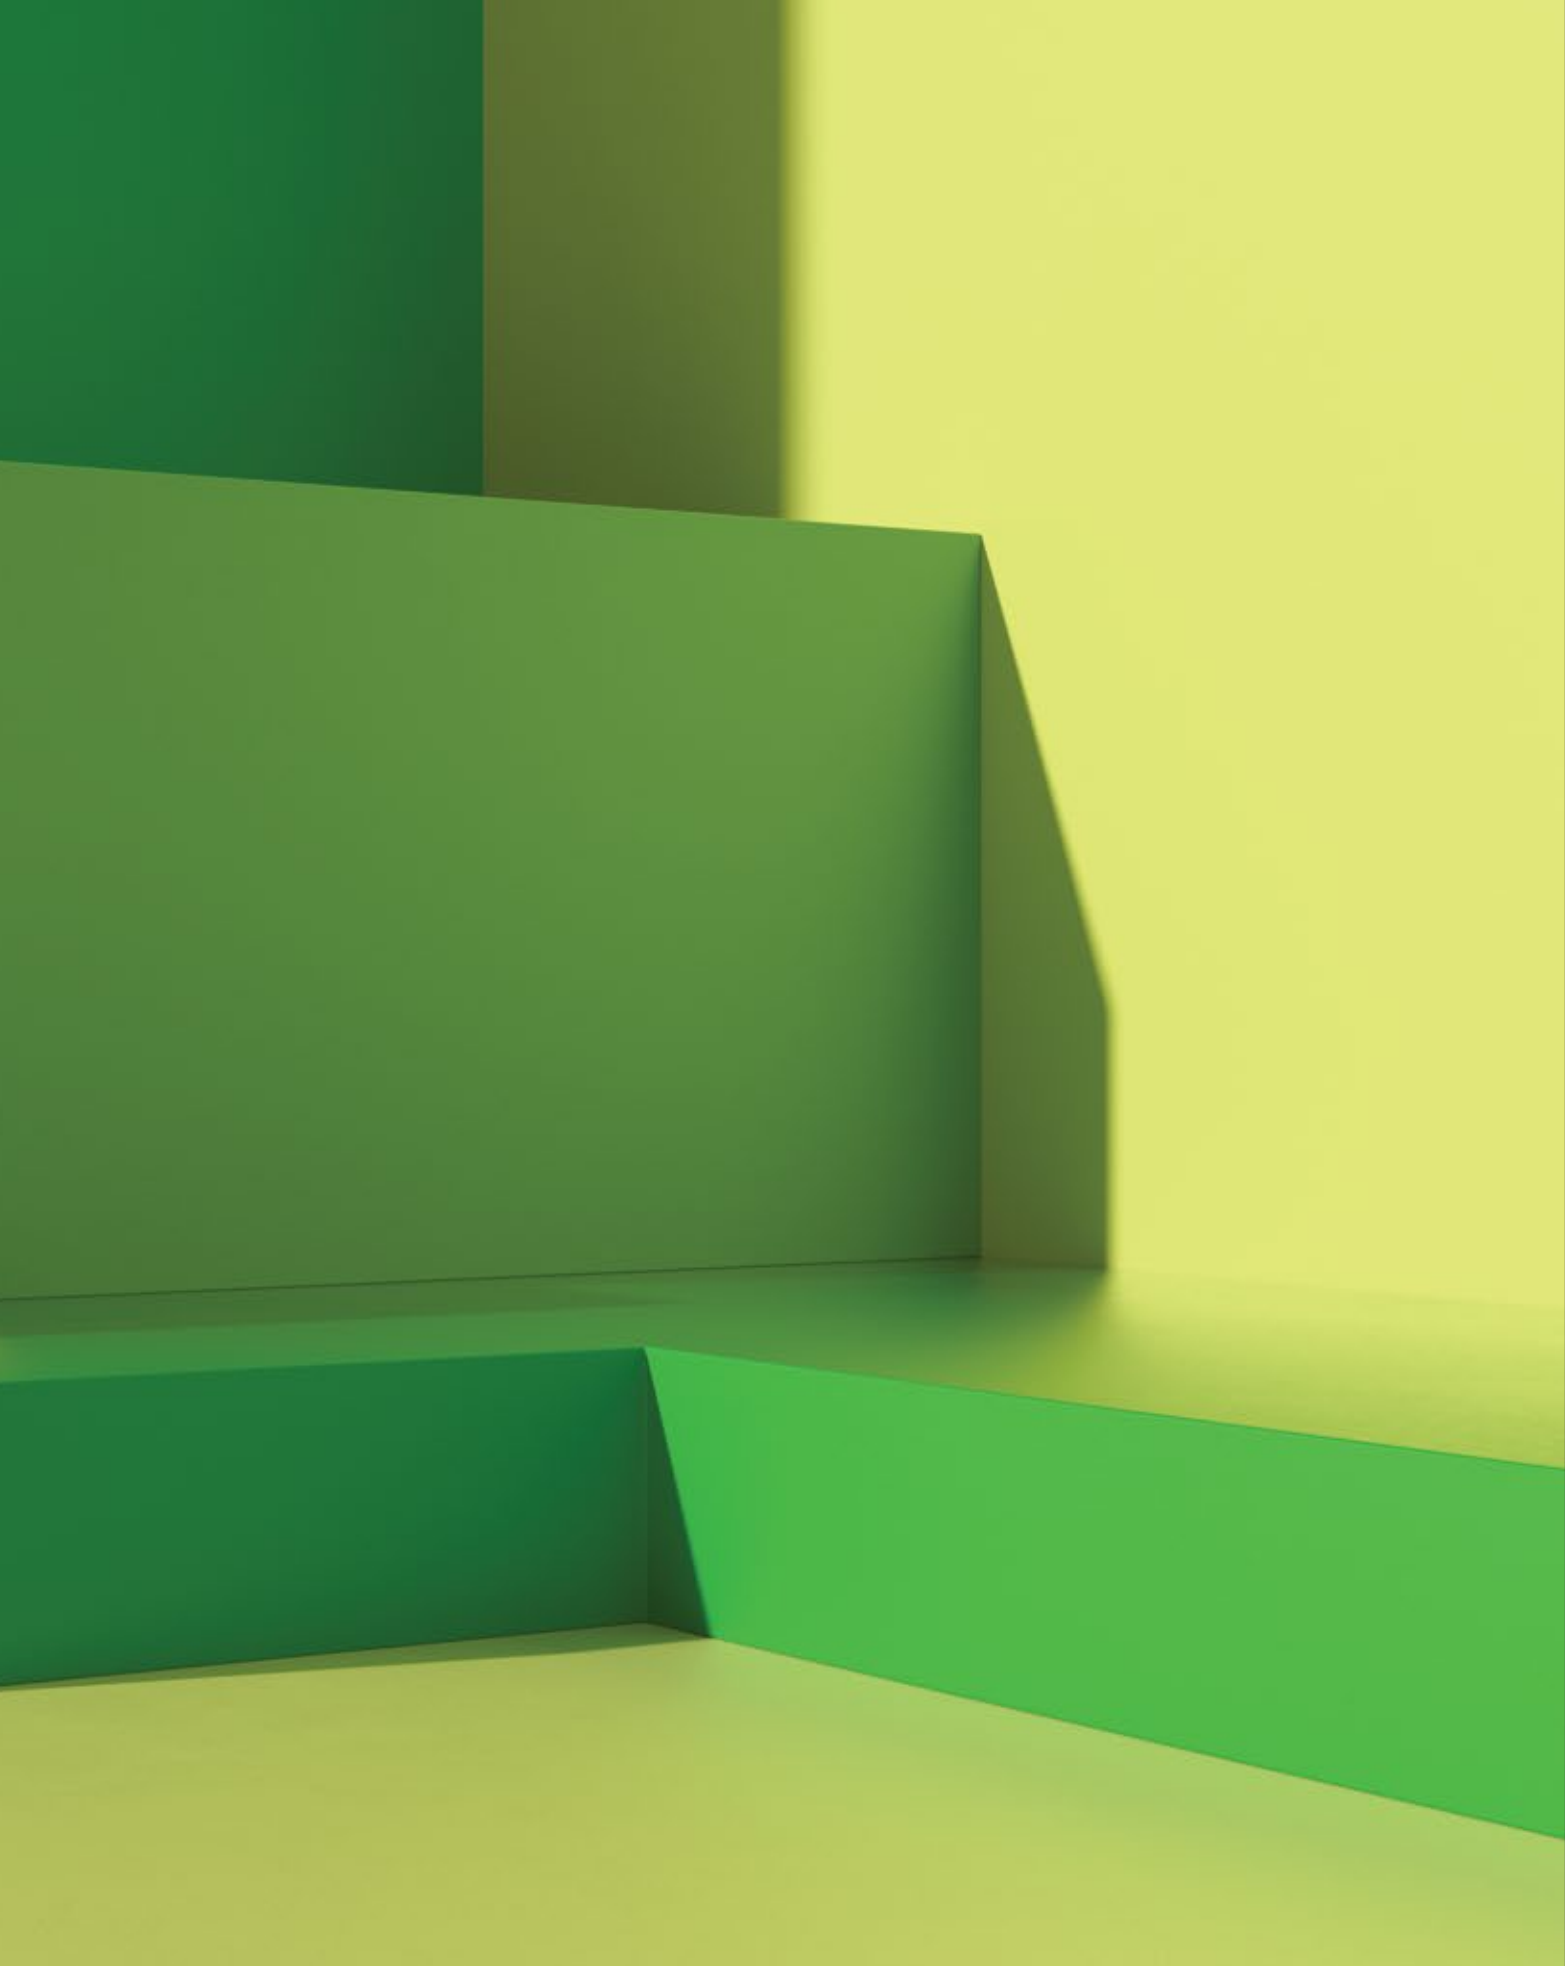

Full sheet digital images
are available online

Constant Innovation,
Pioneering Creations:
Introducing Our Newest Addition
to the Yellow Core Collection

Panaplast proudly presents the latest evolution in our yellow core (Y) series — the Solid Matt Collection. This range addresses a market demand for reduced join lines in white decors. As the originators behind the yellow core technology, we provide a cutting edge solution at an accessible price point.

Explore, and unlock limitless design possibilities.

D

Intelligently Made
With German Technology
For Refined Spaces

MOMA is a premium technical and decorative surface. Through an advanced electron beam curing process, MOMA is extremely matt, suede to touch and is anti-fingerprint. Micro-abrasions on the surface of the material can also be thermal repaired.
